

Lincolnshire Garden Club Charitable Benefit 2012

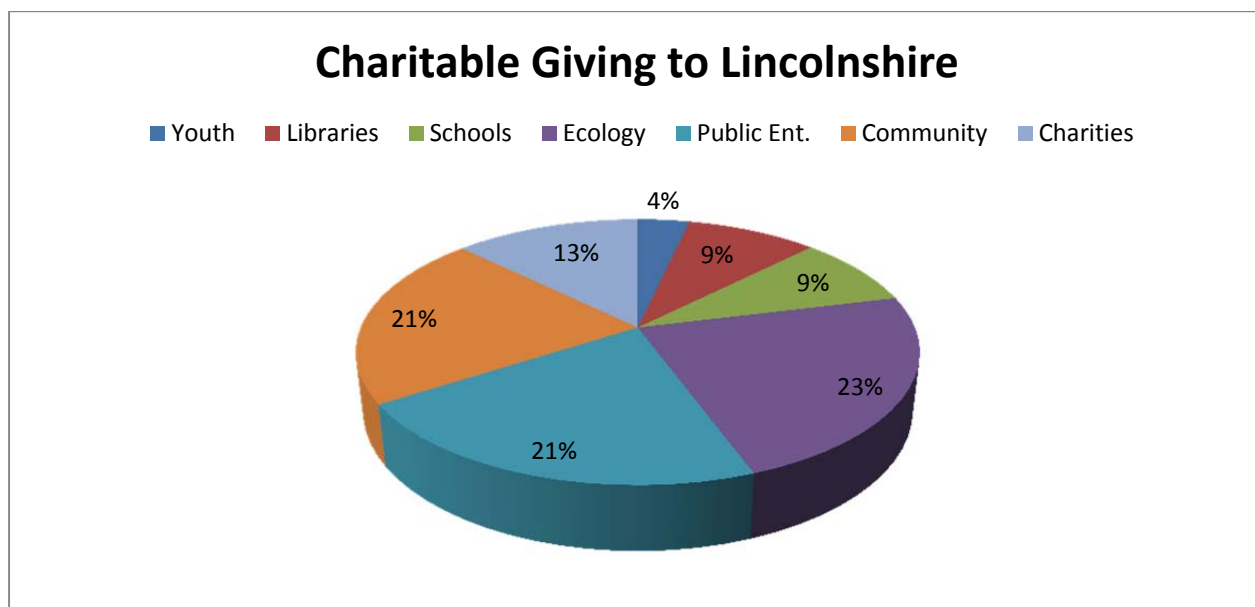

This is the Lincolnshire Garden Club's 54th year of supporting gardening in this community and for those 53 years, our group has given over \$200,000 to Lincolnshire and county organizations. We hope that you can help us to help the community.

What We Do

As an example, in 2011, the Garden Club donated:

- \$1,000 to the Chicago Botanic Gardens, for the National Tall Grass Prairie Seed Bank
- \$ 500 to Daniel Wright Jr. H.S., for the botany lab/rain garden
- \$ 500 to Habitat for Humanity, for the *Gardening Together Program*
- \$ 750 to Indian Creek Watershed Project, for native seeds, shrubs, and plugs
- \$1,000 to Laura Sprague School, for outdoor classroom raised gardens
- \$1,000 to the Vernon Area Public Library, for restoration of its Flagpole Garden
- \$2,800 to the Village of Lincolnshire, to replace the plantings by the Village sign next to the roundabout (North Park)
- Flower and vegetable plantings for Riverside Foundation residents and staff
- Horticulture and educational activities for the Depke Juvenile Detention Center

Over our 53 years, we have supported the following types of entities as follows:

The monies we contribute to the community further the LGC's mission, which is:

The mission of The Lincolnshire Garden Club is to provide financial support to promote:
Community Beautification, Nature Restoration, and Environmental Responsibility.
And to further the education of members and the public in the fields of:
Ecology and Conservation, Home Gardening Horticulture, and Landscape and Floral Design.

This Year's Benefit

The Garden Club's annual benefit, which generates the monies to make our annual awards, will be Friday, April 13 this year at The Arboretum Club, 401 Half Day Road, Buffalo Grove.
